Bringing affordable style to any home

BF43 Butterscotch

Product Options

- Multiply** - Featuring a top surface of solid wood bonded to multiple layers of cross-laid ply to create a highly stable hardwood flooring solution.

- Engineered** - A triple layered product, consisting of a top surface of solid hardwood bonded to a softwood core with veneer backing to create a stable wood flooring solution.

FSC® certification guarantees that timber is harvested from responsibly managed forests.

Look for FSC® certified products.

BF03 - Rustic Oak 3 Strip UV Lacquered..

- UV lacquered** - This creates a higher sheen, with light bouncing off the hard-wearing and durable surface.

BF01 - Oak Natural Matt UV Lacquered.

- Matt UV lacquered** - A modern, matt finish that's long-lasting but allows the natural beauty of the floor to come through.

BF06 - Natural Oak Brushed and UV Oiled.

- UV oiled** - The classic beauty of an oiled finish, combined with the resilience of a UV cured coating.

Accessories

We offer a full range of accessories including skirting, edging strips, door bars, scotia and cleaning & maintenance products.

T-Section

Also known as a T-bar or Twin profile, this covers the gap between two floors of equal height such as in doorways, over expansion gaps or as a room divider.

Ramp Section

Sometimes referred to as an Adaptor or Reducer, this provides a neat transition between two floors of varying height.

Scotia

Ideal for hiding the expansion gaps around the edge of a room, for example if the skirting board hasn't been removed and replaced when the floor was fitted.

Bona wood floor cleaning kit

Designed for regular maintenance of all Basix lacquered and UV oiled floors.
